Notary Stamps & Seals

Pocket Seal

Pocket Seals offer a heavy duty frame and precision parts for the finest impressions every time. Easy sliding lock mechanism makes for convenient handling and storage. Available round impression areas are 1-5/8", 1-3/4" and 2"; as well as a rectangular 1" x 2".

Seal box & case also available

..... Desk Seal

Our Desk Seal is designed to produce embossed impressions with minimal effort. Easy sliding lock mechanism makes for convenient handling and storage. The Desk Seal accommodates the same die holders as the Deluxe Pocket Seal: 1-5/8" 1-3/4", 2" round and 1" x 2" rectangular.

Slim Stamp™

Six sizes of PSI™ Self-Inking Stamps are available with an optional Slim Stamp™ case. This enables you to convert your notary stamp into one that travels in your purse, pocket or briefcase. Simply slide the die box out of the PSI™ and slide it into your Slim Stamp™ case.

..... MaxLight XL2

When you need a printed notary seal instead of an embossed one, the MaxLight XL2's will do the trick. Made to last for 50,000+ impressions, these heavy-duty stamps come with dust covers and re-inking capabilities. There are 5 round sizes to choose from, in addition to the numerous rectangular sizes. They make outstanding impressions!

Notary Stamps & Seals

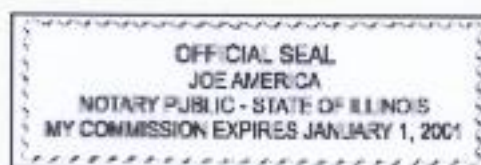

Professional & Custom Seals

A full range of professional and personal seals are available. All seals are engraved to meet the exacting specifications of all local, state, and federal regulations. Custom seals can be individually designed by our staff, or taken directly from your camera-ready artwork.

All impressions are available as embossers or notary stamps.
